And It's You

```
        G
One thing have I
  C      -   Am      D      G
Desired of you Lord, and it's you,   it's you.

        G
One thing have I
C      -    Am      D      G
Desired of you Lord, and it's you.  It's you.

        C  G  Am G D
From a dry and thirsty land,
  C   G   Am  G  D
Lord hear this poor man.
            F    C   G
To you I cry, I cry, I cry.

G              C    -   Am       D      G
One thing have I desired of you Lord, and it's you.  It's you.
