

Arise To Your Rest

Lord You desire Truth in the inwards parts for we are
the House that contains Your Heart.

My thought and intents, motivations and life are meant
to be Lamb for we are His wife (Rev. 19:7).

Christ died and rose with wounded side not just
to reign in the heavens but to fill His bride.

"Seeing the Lamb exalted"

Happy Easter!

*Part three of our video series based on the book
of Revelation is uploaded to the home-page of
the Fire Ministries Web-Site. The theme of this
video is entitled "Seeing the Lamb Exalted" and
deals with understanding resurrection.*

"I Consecrate His Heart as Mine"

"And thou shalt take the breast of the ram of Aaron's consecration, and wave it for a wave offering before the Lord: and it shall be thy part." Exodus 29:26

"For as God is my record, how greatly I long after you all in the bowels of Jesus Christ". (Philippians 1:8) KJV

"God is my witness that I yearn for you all with the affection of Christ Jesus Himself!" Moffat translation

In Philippians 1:8 we see that Paul truly is a consecrated priest because his affections are coming from the heart of Jesus Christ and not his own personal love. In Exodus 25:26 we find that part of the process for consecrating a priest in Israel involved them holding the breast of a ram in their hands and waving it before the Lord in identification and then eating it. The breast of the ram is the area right over the heart. I believe this is a picture of someone holding up the heart of Jesus to God and saying, "I identify with the heart of Jesus instead of my own affections". The fact that the priest then ate that breast of the ram is a picture of us allowing the heart of Jesus to get inside of us so that we might be motivated by the heart of Jesus and His affections, just like we see in Paul in Philippians 1:8.

This beautiful picture of consecration unto God should bring hope to each of us in our darkest hours of failure. God the Father is not looking for our love, kindness or affections. God wants us to forget about our heart, love and affections and identify with His Son's heart of love instead! In Galatians 5:24 Paul said that He has CRUCIFIED his own personal affections so that Christ might live there instead. When our love fails and we fall in a heap of condemnation and despair, we must remember the way of a true priest. At that very moment we can embrace the Cross where our affections were crucified and with our hands of faith hold up the heart of Jesus as our new heart. We can believe that His heart will beat in ours as we continue to abide in Him and allow the life-blood of the true Vine to fill our branch. Oh, bless the Lord! Words fail to express the wonder of being One with Jesus, that His heart of love would now be ours. May we quit trying to repair our broken hearts of selfishness and embrace that new heart that is literally Jesus Christ Himself living in us! That is my prayer for me and for you... that together we might hold the heart of Jesus as our One true heart and Source of love. We are HIS Body, and may His Heart be in us and between us always!

Hello Dear Family in Jesus,

This is a particularly heavy season of ministry load for me and those who serve in Fire Ministries. At this time three large outreaches into Ireland are in full preparation mode. I am grateful beyond words for my ministry assistant, Raphaëlle McCormick, who is God given for this

ministry. Please pray for her. Pray for her work. Pray for favor with her employers as she works a full-time job and serves Jesus constantly. Pray for her and her husband Alastair's needs, whether it be financial, physical, spiritual, etc. Alastair and Raphaëlle's given lives are a huge reason why Fire Ministries can function on the Ireland side of the Atlantic. Raphaëlle has continually grown more and more in the Lord, and I see the living Christ flowing through her as she carries tremendous loads within this ministry. Raphaëlle's sister Geraldine is another pillar of Christ in this ministry on the Irish side. Geraldine also carries tremendous loads every time we come to Ireland, and in the midst of it brings the sweet fragrance of Christ with her everywhere she goes. I am humbled and grateful to serve with these dear, precious women.

In less than a month I travel to Ireland for our annual family reunion international conference. There is much need for prayer over this event and all those attending. The actual days of the conference are April 29th through May 4th, although people will be flying in and out before and after those dates. May the Spirit lay upon each heart the prayer burdens involved for this event, as they are more than I can enumerate. We so desire that Jesus will be blessed because we came, and that each person who comes leaves with a deeper intimacy in their relationship with Jesus the Lamb, our eternal Groom.

Thank you for your prayers, your faith, your financial support, your hearts of love for Jesus... TOGETHER we are sharing Jesus around the world. May the beauty of the Lamb shine out of us together as we manifest His Life.

One Heart in Him,

Kelly
