

Fire Ministries International

April 2014

Dear Friends in Christ,

Thank you for your love in Christ. The Lord in and through you is a precious part of this ministry. Fire Ministries' annual conference happens the beginning of next month and we have been working hard, although there is still much preparations left. Of course, the preparation of our hearts is the most important! We ask for prayers for each one that will be attending, that God will minister Christ to them in eternal and transforming ways. Prayers for protection for all those traveling to attend the conference is also appreciated as there are some traveling from other countries in Europe, as well as a group coming from the States. I would like to ask special prayer covering for the health of several of the ministers that are coming to preach and serve at the conference. These servants to Christ's Body pour out regardless of the cost to themselves and their bodies. They embody the Spirit of Christ Crucified showing us that this is so much more than a message, but a Life. May the Lord sustain them through His indwelling Spirit. Also during this time my brother and his family are preparing to move from Texas to ministering in Arizona. Please remember them also in your prayers, that they would have a smooth transition into the new season God has for them. I will be flying to Ireland the end of this month and returning mid-May. I am still fundraising for this trip as well as the one in September. Any love-gifts for the Ireland mission work is a great help!

Yours in Him, *Kelly*

Please

Pray

Fireland Fundraisers!

For many years Fire Ministries has been hosting fundraisers to help our mission workers raise funds to be able to share Christ in Ireland. We just held a wonderful fundraiser celebrating St. Patrick's Day this past month. We had merchants from all over my local town in Denton Texas donate towards the up-coming Ireland trip. The out-pouring of care and support through all those who give makes each mission trip possible. We pray for these precious folks, and desire to bless them. They are a precious part of the work God is doing in Ireland. Before each trip to Ireland the teams and myself work diligently in these fundraising efforts. In late May or early June we will be having a "rock-a-thon" fundraiser to help raise funds for the Young Adults trip.

Saint Patrick's Day Ireland Fundraiser

Donations From Local Merchants

We have just finished our first chapter in the "Like A Dove" Class (based on cultivating a relationship with the person of the Holy Spirit). All the classes are available to listen to at our new web-site:
