

Fire Ministries International

April 2018

Precious friends,

First I will share where my heart has been and then I will share some on my physical condition. Recently I have been meditating on communion. Not so much communion in the traditional sense, but the deep communing heart actions that eat and drink of the Lamb. I mean, if you think about it, communion saves us or destroys us constantly. If we walk into a room full of poisonous fumes, we are dead in moments. A few minutes breathing in the fragrance of the Lamb lifts our heart to a view that challenges the worst depression or fear. I think the possession of our inwards parts comes from a deep communion with the Lamb in the power of the Holy Spirit. The Holy Spirit makes Jesus drinkable, eatable, and breathable. It can be easy to get caught up in acquiring only knowledge, filling the mind but having no personal fellowship and communion with the Lamb. That is a hopeless pursuit for those who need LIFE. What we need is Jesus to be LIFE in us. Oh how deeply we need You, sweet Jesus! We need our Jesus... the warmth of His being in our belly. The light of His eyes in our darkened views. The bread of His broken body reminding us of the nature that melts us and moves our hearts like nothing and no one else.

Now, because so many of you have asked to be kept informed, I would like to share with you some of what I have been doing in regards to my health on a practical level. I have daily been doing therapy/treatments that require much detoxification in regards to Lyme infection and high levels of toxins that have built up in my system. In this process of physical detoxification I cannot help but meditate on what the Lord is doing in us spiritually! I cry out for the deep and true detox that the Cross gives when we yield to our death with Christ. I also think of how truly knowing and enthroning the Lamb within us brings forth rivers of His Life giving water from our innermost being! That is far greater than a cleansing; that is floods of Lamb-Life coming forth! Come Lord Come!

I want to cry out from my heart, "THANK-YOU!" to all of you who have SO DEEPLY BLESSED ME in your care towards my medical needs. I have not the words to express my gratefulness. Because of Jesus and His care through you I am experiencing the beginnings of healing in my body. Please do keep praying though! My ministry schedule is EXTREMELY FULL, and each day I rely on those rivers of living waters that are HIS LIFE to fill me and flow through me! ALL GLORY TO JESUS! In fact, that is the theme for this month's newsletter article, so I hope it blesses you even as it has been helping me in my time of need.

Full of thankfulness for each of you, Kelly

The Son-rise teen mission team's Rock-a-thon Fundraiser!

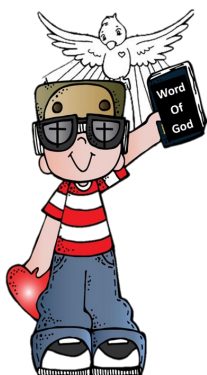

This Rock-a-thon was a JESUS experience! 24 hours in a rocking chair to raise money to share Jesus in Ireland. The teen team learned a little more about trusting the Lord, perseverance, and having fun in Jesus! The Lord has been moving to provide for their mission trip outwardly, and the Lord is moving inwardly to prepare them for all He is going to be in and through them! Their mission trip to Ireland will be in July. Please continue to pray for us we have many preparations yet ahead!

Fire Ministries' Annual Ireland Family Reunion Conference

Our annual Ireland Family Reunion Conference begins the end of April. This is always a special time for us in hearing from the Lord's heart and desire as He freshly moves among and within us. The heart of this Ireland gathering is that we are coming together as family in the Lord, and therefore we call it our "Family Reunion Conference". The past years have been times of God moving intimately as He has opened & shared His Heart with us during this gathering. This year we want to continue to pursue the Heart of Jesus and gather to Him. Please pray for all those who will be traveling and participating in this gathering. Please pray for the leadership team and all they are carrying as they make preparations for the Lord's Heart and His people during this time.

Bible Arts Vacation Bible School

Fire Ministries International will be hosting its first State-side "Bible Arts VBS" this June! This week-long outreach to share Christ with kids will be based on our series for children taken from the Book of Revelation. Please pray for us as we are seeking the Lord's heart in every step of our preparations for this special event.

If you would like to support God's work through Fire Ministries, or help towards Kelly's medical needs please send your tax deductible contribution to:
