

# ASHES

A      am2      am4      am2  
The endless, fathomless depths of ashes

A      am2      am4      am 2  
Rolling, bearing, covering, carrying.

C2                                  A  
Eternities whisper of perfect love

C2                                  G                  A  
disseminated by God's own Dove.

Bbm                                  dm  
Reaching the blackest, darkest soul

Bbm                                  G                                  A  
Causing that which was dead to live and be made whole.

Dm                                  C  
Sent out from the Congregation

Bbm                  C                  dm  
Sent to atone outside the camp

dm                                  C  
Sweet Lamb of God may go out unto you

dm    am    dm    A  
And bear your reproach
