

## Be Unto Me As The Mercy Seat

Dm C am Dm  
Like the prodigal I've wandered far

Dm C am Dm  
Like the poor poor man, my strength is no more

F C G am  
And my sins are too heavy for me to bear

Dm C dm  
I enter in by You

Be unto me as the mercy seat.

Be unto me as the mercy seat

G  
Lid of covering

My only life is in You.

Like the woman weeping at Jesus' feet

Like the lame man who could not use his feet

Like the leprous king who had gone too far

I only come in You
