

Classroom Order and Rules!

- I raise my hand to Jesus and teacher to share something on my heart!
- If I need to go to the bathroom I tell my small group leader.
- I get three warnings before I have to go back to the meditation room for a time out with Jesus and a prayer and talk with my small group leader and Debbie.
- When it is skit time and teaching time I listen instead of talk.
- Puppets stay behind stage and the stage area is off limits.
- I stay with my small group and ask permission from my small group leader when I need something.
