

# ESCAPE

Did I just escape  
from an opportunity to decrease  
and increase Christ in me?

Am I relieved to be released?  
Do I enjoy this false sense of peace?

The temple is divided,  
its stones torn apart.  
Can I not feel God's broken heart?

Or am I only aware of how I feel?  
To me, is that all that is truly real?

When comes the day when what I see  
is my need for a deep devastation...

Oh come, Calvary.
