

San Antonio Outreach

Women's Conference in Pennsylvania

Dear Family in the Lord,

From my heart... THANK YOU for your prayers and support this past month. The Lord's care through you truly covered me in so many ways. 2011 has started out to be a year of LIFE;... pressing into Jesus and His Cross, pouring out Jesus to others, and standing against attack for the onward progress of the Gospel. The Lord miraculously made a way for me to travel to Pennsylvania. I flew out from Texas in the middle of a blizzard, with hundreds of canceled flights. Not only did I safely arrive to P.A. an hour earlier than originally scheduled, but my whole time on the plane was filled with divine appointments! The Lord richly blessed our women's conference in Pennsylvania. The Spirit of the Lord was truly among us. Through my Mother, Pat Cassel, and Sarah Jensen, the Lord has gathered a group of women with amazing hearts in whom the living Christ dwells. We hope to gather together in conference annually as God continues to move so deeply among us. Days before I left for P.A. I was ministering in San Antonio Texas as part of a team sent to bless a precious fellowship Pastored by Steve Johnson. That was also a wonderful time of fellowship and Life. Throughout this entire time my physical body was attacked constantly. I experienced one healing after another, and I know your prayers are much to be thanked for that.

In days I will be leaving for a three week trip to minister in Ireland. As always, we are together in the sending forth of the Gospel. I rely upon the Lord in each of you, as together we carry the ark of His Life forth to others. Your prayers, faith, support, love and care strengthen each step of the journey and release more of His Life to others. My heart abides with you in His love. I thank God for the knitting of Life that holds us together in Him.

From my Heart, Kelly
