Psalm 104:4

# Thank You Jesus for Alastair and Raphaelle!

God blessed us in Texas with a visit from Alastair and Faf! What a joy it was having them with us! We thank God for adding Alastair and Raphaelle to our hearts, lives, and the ministry of Jesus. They are more precious to us than we can say, and we feel the bonds of Christ knitting our hearts together in His love.

Faf and Ballerina puppet filming our next kid's Bible Video!

Alastair and Faf join the Teen Team Ireland Fundraiser!

Randy prays for the Ireland Outreach Team!

But what will they think if  
I do not declare  
my reasons

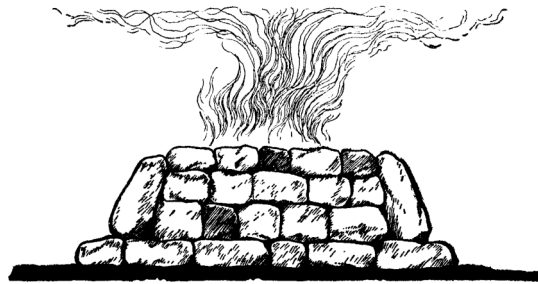

my excuses  
my "self-awareness"?

They'll see me wrong  
and falsely accuse.  
They'll say things of me that will  
wound and bruise.

RESIST oh my soul,  
this flood of pride  
and look straight into  
Christ Crucified's eyes.

Steady... focus...  
live with Him there  
above the earth with its  
"self-awareness."

# Building Little Altars in 2018

"The little altars of our daily walk  
speak of Jesus, the Lamb within us being offered  
in daily and practical ways."
