## Ireland and Mission Trips

Dear Family in Jesus,

I pray you all are being kept through the care and grace of our Father, safe in the bosom of Christ. I pray the month of February will be filled with the Lord's heart and purpose in your daily life. My the Holy Spirit comfort you continually with the truth of our Life in Christ.

This first month of this year has been filled with preparations for the two upcoming Ireland mission trips. The leadership team in Ireland daily helps me carry the burdens of the ministry as Christ continues to form in them. I am blessed beyond words. One member of that team was ten years old and at the butterfly bible clubs when Fire Ministries first started going to Ireland! Please remember them in your prayers as this year holds new opportunities for the leadership of this ministry to serve the Body of Christ. I am also in the process of raising funds for the airfare for these two trips. I was able to purchase one ticket using air-miles, and the taxes from that ticket came to \$220.00. The other ticket will be in high season and typically runs a little over one thousand dollars. If anyone feels led of the Lord to give towards either of these tickets, my heart is very grateful.

On the following page I would like to share an excerpt of a letter written by Lindsey Earles. Her testimony blessed me and I pray it will bless you too.

In His Love, Kelly

Greetings, family and friends!

I am preparing for another ministry trip to Ireland, and as part of that preparation I and my fellow team members have begun fundraising. When I sat down to write this letter to explain the ministry to you all, I was going through the pictures from the previous two trips, I found myself wondering, "I wonder if any lasting change happened on those trips, if God was really able to move in any lives." The Lord brought a couple things to mind:

I would not be who I am today without those trips. I am sure of that. The first time I went was in 2008, and what I learned from the Lord and the relationships I forged with the Body on that trip sustained me through the next 3 years, the hardest and most trying time of my life. And the second trip was in the summer of 2012, and it was the first thing I did out of college; it set the tone for the rest of my life: it is all for Jesus.

You know, people hear "Ireland" and they immediately think, "What kind of mission is that? I would *love* to go to Ireland!" And quite frankly, I don't blame you. I thought the same thing when I first got invited. F.I.R.E. Ministries has been taking teams there for over a decade, and little by little, after much labor and faith that the seeds being planted would bear fruit, progress is being made and life is springing forth.

We can't stop now.

When you support ministry work of any kind, you are literally sowing seed into the Kingdom. You are participating in the commission Christ gave His disciples. You are taking ground in the earth for Jesus.

In Him,  
Lindsey Earles
