

Fire Ministries International

January 2019

Dear Lord,

May we come together this year to do more than hear the Word and do the ministry. Father, we come together to bring forth Your Son. May He live through us in new ways... in real ways... in ways that reach the Father's heart. Let us stand together in this heart and cry out for more of Him and less of us. Amen.

Dear Ones,

I hope you all had a blessed Christmas! This year was special for me as I was able to celebrate Christmas with my entire family at my parents' home in Minnesota (where I grew up). I treasure the time I got with my parents, siblings, niece and nephews. We laughed a lot, built snowmen, went sledding and ice-skating, played games and enjoyed time together. My Dad just retired and is embarking on a new season in his life. Please remember him in your prayers during his transition into retirement.

This year's schedule already appears to be more full than that of previous years (if that is possible!). In the dawning of this realization my heart is already making a determination to proceed in the Lamb rather than Kelly's abilities, and to move from a position of seeking the Lord's heart and nature first. I believe that only the Son can truly fulfill anything on the upcoming busy schedule because only His sweet spirit can make it eternal and precious to the Father and others.

I cannot be satisfied with ministry, deep teachings, or anything else that could replace the true coming forth of Christ as our life. Please pray! Pray for me! Pray for this ministry and all the lives that are a part of living and giving Christ through this ministry! Pray for provision and favor for every heart that is to be touched and a part of His living flame, that they will be able to partake of all the Lord has for them this year. Pray that the Word will find a greater entrance into our hearts beyond teaching and ministry. Pray for those who are meant to gather, to cry out, to pour out and be a part of our ministry unto and through Jesus this year in Ireland and the States. Pray that they will come! That they will seek God to make a way to be in His will and timing even when it seems impossible. Pray for the children, teens, and young adults that are so open to the living Christ in real ways. Pray for new open doors to pour into the next generation. Pray for miraculous provision for Jesus' needs and sake! Pray that the Father will get His Son from us this year in greater measure than ever before! May our faith be ignited and lifted up on the wings of love for God and the needs of His heart being met. As you can tell, my heart is stirred. With all the Spirit is doing, I sense the need for our faith to ignite and rise in even greater intensity. We need your faith and prayers, your love and support more than ever. You are more precious and appreciated than you could know. Thank you for being a part of His heart and life to me and to His work through this ministry. May God bring the increase and to God be the glory!

Together with you as His living Sacrifice,

Kelly

Ireland Conference 2019

"Take Me To The Father"

Dates of Conference: May 3rd - 8th

Location : Ireland

Patmos Players fundraise for Ireland

Dear Supporters!

We are officially releasing our faith to fundraise for all the upcoming trips in 2018! The young adults are embarking on a special fundraiser that involves doing live performances of the Drama that God has given us about the Apostle

John and his adventures on the island of Patmos. We are praying for doors to open in churches and ministries that will allow us to minister through this drama while also raising money for July airfare and trip costs. PLEASE LET US KNOW of any who may be interested in helping us fundraise in this way! We have much money to raise in order for our young adults to have the funds needed for the mission trip to Ireland in July.

Although the health care I am able to receive based on your support and financial gifts is making a difference, I am still in weakness quite often. This weakness is working in me a deeper reliance upon the Lord's life in me, especially in this continued season of constant pouring out. Your financial gifts continue to make possible my therapy for Lyme and mold toxins, and to purchase supplements for my adrenals and thyroid. Thank you from my heart!

Florida Trip

The end of January I will be joining a small ministry team from "Life in the Spirit" that will be ministering in Florida. Please pray for all the Lord has for this church in Florida, and the Word of God and ministry of Christ that the Lord will bring through the team.

MICAH

A Prophetic Book

The Lord ushered me into the New Year in the book of Micah. Since my visit home to be with family over Christmas in Minnesota to this very moment the Spirit of God continues to open this Book to speak deeply concerning God's desire to bring forth His Son in us. I will be sharing a class on Micah this semester in Bible school on Wednesday nights and the classes will be made available on the Fire website. I pray this time in Micah will be more than a time of teaching and learning but rather of seeking to bring forth Christ unto the joy of the Father!

Thank you Jesus for our 501 c3!

Because we are officially a "not for profit" charity, we are now directly handling all love gifts as donations through our corporation.

Please make all checks payable to
"Fire Ministries International"

All donations through our PayPal account will also be processed as donations through the corporation and delegated as your memo directs. Thank you!
