

Fire Ministries International

“On Fire With God’s Desire”

Seek Him in your sorrow.
Seek Him in your pain.
Seek Him in your crisis.
Seek Him in your shame.
Seek Him when you feel nothing.
Seek Him when you’re dry.
Seek Him when you’re abounding with blessings and everything is alright.

Seek Him in your weakness.
Seek Him in your strength.
Seek Him with your whole Heart.
Seek Him and Him alone.
Seek Him above everything... our blessed Lamb enthroned.
Love Him with every fiber of your being.
Make His Heart your home.

Dear Ones,

I continue to thank God for each of you, and all the Lord is doing in our hearts. As 2018 continues to march forward, the Lord's heart beats stronger and stronger within us as we seek Him passionately. I know that this year holds many challenges for all of us, but how wonderful that the very Lamb Himself is in us! By Him, we can overcome as He pours out through us! I personally am UNABLE, but Christ in us is AWESOME! ALL our hope is in Him. HE is able to forgive, love, bless, serve... He is able! Let's pray for one another, that Christ would be formed and real and living through us more and more. Paul himself prayed in travail for this very cause (Galatians 4:19). Let's travail for one another that Christ would truly be formed in us. Thank you for your love and prayers in Christ.

The Lord is gracious to me in this season of sickness. I am experiencing His Life in weakness, and it is a deep blessing to me. I want to THANK you for your prayers, love, support, and finances in this healing process. I continue to do my treatment with a heart full of faith in the Lord's care through all of this! I will be going back to my Lyme's doctor the beginning of March for a check up and continued care. Your financial gifts are making these visits and care possible, and I am deeply grateful. Any love gifts/donations towards my medical needs are still of huge help in the process. Thank you!

In regards to the work of the ministry, there are many things going on (as usual)! We are preparing for our May conference in Ireland. We are also continually fundraising and making plans for the multiple outreaches / retreats happening in Ireland in July. *(I am believing the Lord for the finances to purchase my July plane ticket to Ireland, and if anyone feels from the Lord to give that would be a real blessing!)* Fire Ministries is in the process of developing a new children's outreach that I will share more on at a later time. Our on-line/Skype class from the book of Revelation has been a time of really pressing in to progress from church to Bride. Those classes can be found on the Web-site. I would also appreciate your prayers concerning the worship Cd that I am working on at this time. I feel this particular Cd is filled with songs given by the Lord to bless worship leaders with songs that lift up the Lamb enthroned in us as our life. A group of us are working on the recording / production of it and it requires JESUS every step of the way!

In our monthly articles we are continuing our journey in Ruth! I personally am taking the time to soak in and ponder the things the Lord has been sharing with my heart from that Book. I desperately need what the Lord has shared with me to be His Life in and through me! May the Lord bless you as you soak in the things He is sharing with your heart.

Together in our Desire for Him, Kelly
