At Jesus' Feet

Ireland 2019

With Crippled hands,
together we hold Your Heart Jesus.

Precious Family in Christ,

I am home from our Gathering at Jesus' Feet in Ireland. Your prayers, love and support in Christ were and continue to be such a blessing and covering to me and the Lord's work. Thank you from my heart.

In II Samuel chapter six David had to learn how to carry the very Presence and being of God into Jerusalem. At first David made some painful mistakes, even heartbreaking! But David got up from His failures and found the Lord's heart and way, and gave Himself fully to minister to the Lord's desires and needs and carry Him properly. Even so I am humbly learning how to hold Him, carry His heart, and minister to Him in the way that reaches His heart. In April, just three weeks before our annual conference time, the Lord dealt deeply with me. As He dealt with me and shared His needs and desires, the Lord turned what was going to be a "Conference" in Ireland into a gathering at Jesus' feet where we could lavish our love on Him.

As the Lord continued to speak to us we all felt the Father's burden that this was not meant to be an "annual conference" but something precious for His Son. The Holy Spirit bore witness in our hearts to fully be given to minister and pour over Jesus. This would be His time. We came not to receive but for Jesus to receive. We came not to be blessed but to bless God. We came not that our hearts would be healed and tended to but that His heart would be anointed with our tears and held with our crippled hands.

God gave us the spirit in which to approach this gathering at Jesus' feet with this phrase: "Crippled Hands Holding Jesus' Heart", accompanied by a picture drawn by Pastor R.T. Nusbaum. Our hearts, our approach, and the way we gathered was with a renewed spirit to love Him above all else. As a result, the Word flowed, the tears flowed, and the hearts poured over Him. I believe Jesus was truly ministered to and may it continue all the days of our lives.

We gathered at Jesus' feet not in our strength, but in weakness. This following prayer recently prayed by R.T. Nusbaum also helps capture this heart and approach, *"We love you Lord. We do love You. We want that love expanded, that love that is Your nature expanded within these finite – (as You spoke to me the other day, a translation of earthen vessel) – these weakened vessels. That is where You want Your treasure to be seen; not in the strong vessels, in the beautiful ones, or the richly endowed ones with gold and silver, but weakened vessels. We embrace the weakness that You are trying to bring us to so that when we are weak, You'll be our strength. You'll be strong in us. And the strength that You will be strong in us will be called weakness. It'll be the Lamb. The slaughtered Lamb. Glory and honor, wisdom and power – all to You, slain Lamb. To be lifted up, to be honored, to be made the nature of each and every one standing there. To be worked in us by life and by death. To find You in sickness and in health. To find You for better or for worse. To find You in all areas so that we might be conformed to You heart, to Your image, to Your Ways. There is none like You".*

Our hearts cry out now and forever that we would not live from event to event, but always exist in this spirit,... which is His Spirit. That in all that we are and go through, His beauty would truly flow, and ALL the glory would be to God's beautiful Son Who has so preciousely desired to dwell in earthen vessels.

We have gathered the times of sharing the Word from this gathering onto the Fire website for those who would like to partake and pour with us even now. These sharings are located on the homepage of our website. As for me, yes, my schedule is busier than ever... BUT my heart has chosen to remain at His feet, and continue pouring over Him. As we are getting ready for the July Ireland Young Adults' Retreat followed by the Pray and Get Away Retreat, we are soaking every step of our preparations in this spirit and heart.

Thank you for pouring over Jesus and His body in your prayers, care and love. It reaches His heart and mine.

Yours in the Lamb we love, Kelly

“Oh to be as one who would gladly get low, and gladly pour our highest riches on Jesus’ feet. Gladly look lowly and foolish and do it for You Jesus. To do it with a heart that is being drawn beyond the outer courts, to Your heart and to Your feet Jesus. Drawn with cords of love. This is Your time Jesus, get what You want. Get what You need. We are Yours and we just want to love You. We just want to pour out on You.”

“There came a woman having an alabaster box of ointment of spike-nard very precious; and she broke the box, and poured it on his head.”

Mark 14:3
