

# Fire Ministries International

June 2016

To God be the glory for the eternal preciousness of this year's gathering. Because the Lord opened His heart to us during last year's Ireland conference in a deeply intimate way, and has continued to share His heart with us in this same manner all year, this gathering was a "heart explosion" of HIM through His bride. I believe the Lord was truly honored, loved, and satisfied by this gathering. All of my days I will hold this time as something so much more than a ministry event, but something eternally precious to Jesus and to us. I am humbled, thankful, and deeply touched by every person who came. The Lord was so real and fragrant through His body, His bride. How beautiful to His heart. We love you Jesus.

There is a rich history of Christ crucified in the soil of Ireland and the hearts of the Irish. Within that history is a heritage of Ireland being a place where people from all over Europe and the world could gather to know God in a real way. This is still true today. The main leadership that serves and pours out to host this gathering are the Irish. Their hearts for Jesus have created an oasis for lovers of God to gather and seek God. The Irish team may not fully realize how precious they are and how much they mean to Jesus and to us all. Let us pray for them diligently. I will never find the adequate words to express the thankfulness that is in my heart for them. We love you and appreciate you!

**The Men's Group**

**Thank you Pastor Randy for sharing the Word of God's Heart with us!**

**Kelly sharing with the women**

**The Women's Group**

**The Flannel Board Team pours out the Heart of Jesus to us!**

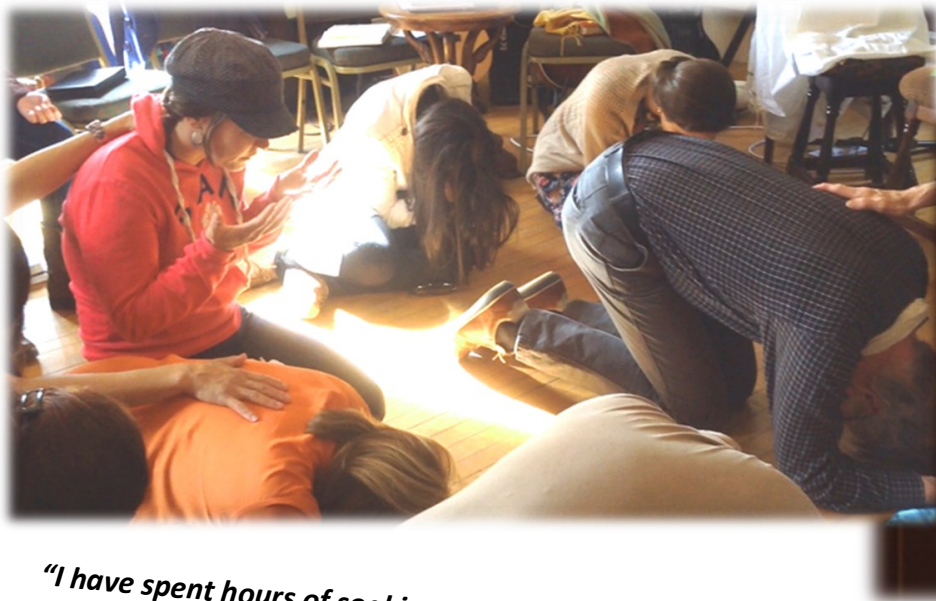

**Cassie and Scot pouring forth the Lord in worship.**

**Karen cooking and serving in the love of Christ!**

*"I have spent hours of soaking in the heart of what the Holy Spirit poured over and into my heart during our time in Ireland. I am home now and the trials have begun and I feel prepared, but want to stay at His feet looking up into His eyes and heart. I feel a new determination in my spirit. That gathering, sharing, pouring, crying out, and pressing together in one heart has reignited a flame in my spirit and it must never go out! "*

*"Never before have I wanted Jesus more than I do now".*

*"I just want to know His heart".*

Special thanks to Raphaelle McCormick for giving herself fully to Jesus and pouring out so very deeply during these gatherings. This conference could not happen without her faithfulness and laid down life. Thanks also to all who prayed, gave financially and poured Jesus into this gathering unto His heart.

## Prayer Request

Dear Ones,

I have a special prayer request. I leave again for Ireland in a month and I will be in Ireland for most of July leading a young adults outreach group and then hosting a "Pray and Get Away Tour and Retreat". The load and many preparations involved in these three trips being so close together is very great for the Irish leadership team and myself. We deeply appreciate your prayer covering during this time. Many people are traveling to Ireland from overseas to participate in

these events. Please pray for their safe travels. May the Holy Spirit burden your hearts with the true needs throughout these next two months. I need and cherish your care and covering in this way. Thank you.

## Ireland Conference Sessions In Audio and Video

I am in the process of uploading the Ireland conference sessions to the Fire Ministries Web-site so that you can listen, watch and receive from the Lord. As you may already sense, the release of the Lord in His Heart and Living Word was very precious during this time, therefore I highly recommend these sharings to hungry hearts. Please be patient with me as my schedule is very full, therefore I am not able to edit and upload these files as quickly as I desire. But as time allows they will be uploaded, so keep checking the Web-site!

It may be in some of your hearts to be a part of the Lord's work in Ireland through financially supporting this ministry. The precious love gifts of dear brothers and sisters in Christ is the reason we have been able to share Christ in Ireland for over 15 years. This is a body ministry and the Lord burdens certain hearts to help share the load in many different ways. If it is in your heart to help support us in a financial way, please send your love gifts to :

Fire Ministries c/o Kelly Koshatka

P.O. Box 1961 Denton Texas 76202 USA

You can also give through PayPal by going to the DONATE page on the ministry web-site at:
