Feb. 2017

Precious Ones in Jesus,

May the Lord's tender Heart continue to cover, guide, and beat within us as we continue forward into 2017. I am thankful that we have a real and living Father Who intimately knows us through His Son Who dwells within us. We are so secure in Their love, for our lives are hid with Christ in God (Colossians 3:3). We are held in the bonds of the Father – Son relationship that nothing can separate. The Holy Spirit is also within us, moment by moment awakening our hearts to Their reality, working so selflessly to help Jesus grow in us. May our hearts be lifted from the earth and our trials into the infinite supply of self-giving love that flows from Them into and through us.

I want to thank you all for your care during this long season of health issues for me. I do feel a continual gradual healing happening. I am still walking through some final tests (hopefully) to check on a few things, and will continue to keep you all informed with that situation. Your loving support in prayers and financial help have been and are so deeply appreciated.

We are continuing to make preparations for our two upcoming outreaches into Ireland. The first trip is our annual conference that occurs at the end of April and beginning of May. Our second trip is our "Pray and Get Away" retreat that will happen the beginning of September. I would appreciate your prayers for all those that God would desire to be with us for these gatherings. Please pray that they would hear from the Lord clearly and that provision would be there with family, work, and finances.

I am continuing to teach a course on the Book of Daniel in the Bible School this semester. I have to admit, God is deeply dealing with my heart through the Word of God in Daniel. Please remember me in your prayers. The emphasis of this class is, "enthroning the Lamb within".

This month's newsletter article came after diligently seeking the Lord for what to share this month. This article entitled 'The Beasts Beloved or Conversion of Kind' is something that God is and has been dealing with me on for years, and comes out from my personal journal notes. It will be our new series for the upcoming months.

Thank you, thank you, thank you for Jesus in you! May we pray diligently for one another this month. I know of so many hearts that passionately desire more of the Lamb motivating within and less of self-seeking old ways. May the Holy Spirit open our eyes to show us what that really means.

# “And I Say Come”

Who will come away to dwell in me  
Who will seek me for my heart  
Like the morning she appears to me  
Rising, her dawning fills my eyes

And I say come, And I say come,  
And I say come away to me

She will stay here far above the earth  
Never clothed with Babylon  
She will not become defiled with them  
She has kept my garments on

And you will dwell with me through all the years  
Separate and from above  
Turn your heart and then your eyes will see  
What true marriage is made of

We will fly far above the earth  
And live together in my place  
Soaring one throughout eternity  
She will only see my face
