# MINISTRIES IN IRELAND

APRIL 2011

*"ON FIRE WITH GOD'S DESIRE"*

precious Friends!

I just returned from ministering in Ireland for the past few weeks. There is so much to thank the Lord for during this journey, but the main point I want to acknowledge is God's heart for the Irish in all He is doing there. Myself and the teams I bring are simply servants to God's desire in that Land. We are a part of something bigger than us that flows from God's heart to His people in Ireland. This trip, maybe more than any other, shined forth the reality that God truly is moving by His Spirit to bring forth His Son among those people.

We ministered from one side of the island to the other, and with each visit the Spirit moved in precious ways, gathering and knitting hearts together in the Life of the Son. The Lord opened a door to share Christ in a new area, as well as deepening the bonds of Christ in areas we have already been visiting. There were many invitations from Irish Pastors to have us share Christ and Him crucified with their people. We also had our annual Irish women's conference, as well as doing street evangelism. By the end of the trip precious brothers and sisters were gathering from locations all over Ireland to join us in Fire Ministry's annual "Family Reunion" near Dublin. We even had the joy of two brothers from Belgium being with us during this time. Ministers, families, and friends from many different denominations came together and celebrated our oneness in Christ. The love of God permeated our family reunion as people came together in His life and experienced His presence in such a time of sweet fellowship. I believe we all left refreshed and filled with a sense of what it really means to be the family of God. Many years ago it was prophesied that one of God's desires in this ministry was to help unite the churches in Ireland. I see God fulfilling His word as I behold churches from all over the island being knit together in the Life of Christ as God's family.

Lastly, but certainly not least, is my DEEP gratitude for EACH ONE OF YOU. Thank you for your prayers, your love, and your selfless giving to make this trip possible. A special heart-felt thanks to the team that came to Ireland. Each one was truly a vessel of Christ, sharing not just a message but His sweet nature. May all of your acts of care be as seeds of Christ planted in love that will bring forth an increase of Christ in your lives.

From my heart with love,

*Kelly*
