

# Fire Ministries International - May 2016

## Ireland Fundraiser!

Our "Come as a Bible Character" fundraiser was a wonderful success! We had fun, raised money for the Lord's work in Ireland, and enjoyed the Lord together. One of Fire Ministries' traditions is to organize fundraisers that are fun and raise funds! Thanks to all who contributed to this event and helped us raise funds to spread the Gospel!

## Something beautiful is happening!

This beauty is what I am seeing as I observe the precious movement of love towards Jesus in the hearts of many people. Just like flowers in the spring, heart after heart is rising up to the Son,... rising up in a love that desires to reach Jesus' heart and minister to Him in the ways that He needs.

This heart of love towards Jesus is the spirit in which we will be gathering during our upcoming Ireland conference that occurs the first week of May. People are coming from Europe, the U.S., and Central America to pour out on Jesus. Please remember us in your prayers. Please know that as we gather you are there with us in heart and spirit for we are all one in Christ.

Thank you. May the Lord's heart be touched as together we press in to know and love Him more.

In last month's newsletter I forgot to share a picture from the mission trip to Guatemala I was recently a part of! Thanks to all you who financially supported me and gave me this opportunity to be a part of this Guatemala mission team and share the love of Jesus in Guatemala!

*Please forgive the briefness of this month's newsletter. I am deeply poured out over preparations for the Ireland conference and have not had the time to prepare a more thorough newsletter, but I send my heart in Jesus with this short letter!*
