

Fire Ministries International

October 2019

In October of 1999 I went to Ireland as a tourist for a ten day vacation. On that vacation my heart was in a place of brokenness and deep hunger for Jesus. Without anything being planned or organized, God began to move on that trip miraculously... opening doors, hearts, and soon that ten day tourist trip turned into months of pouring out Jesus! God, through miraculous and divine appointments, opened hearts and doors throughout the island. There were some churches prepared by the Spirit through a prophecy that a handmaiden would come to lift up Jesus in this way. God moved wondrously during those months as we poured over Jesus and sought Him with all our hearts! Soon I was surrounded with Irish hearts and supportive ministers confirming the birth of "Fire Ministries".

For the past 20 years God has continued to flow in this ministry to knit hearts in the Life and love of Christ all over the island of Ireland as well as other countries and the United States. All the trips we have taken over the past twenty years have been bathed in the original longing and desire for Jesus that I experienced in my original trip. And now Fire Ministries is a family full of hearts who love Jesus and serve Him together! For two decades we have been loving Jesus, pouring out Jesus, serving Jesus, and pressing in to know Jesus with all our hearts!

THANK YOU! I want to thank ALL OF YOU! Thank you for selflessly pouring out Jesus in so many ways! For wearing caterpillar and butterfly costumes to share Jesus with kids, sleeping on church floors, fundraising with hearts full of faith, witnessing in clown-suits, preaching Christ Crucified anywhere God led us, walking into the doors God opened and bringing the Life of Jesus in bucket-loads! Thank you for being willing to pour out Jesus in whatever way would minister Life and bless others. Thank you for all the financial support that made this possible! Thank you for prayers and love and support in so many ways! My heart is grateful beyond all words! Together we

have brought forth Christ. Most of all we thank you JESUS for doing all this through us! I look forward to all that is in God's heart for His Son through us in the years to come! Yours in Him,
Kelly

Samson!

This month I felt the Lord wanted to bless you all with a booklet from His heart and mine. It has been a while since I have written a booklet for our newsletter, and the Lord poured forth this blessing for us this month. Sharing the Word of God has been a huge part of Fire Ministries in our desire to feed those who hunger for the Lamb! In the next months and upcoming year the newsletter will be featuring the Word in some new publications.

This semester in bible school I am teaching a class entitled, "In Christ Warfare"! You are welcome to join us as the classes are all uploaded to the website.

These next couple months are also very full for me in several precious areas of serving and pouring out Jesus. Please remember me in your prayers, that the heart of Jesus would truly fill me in all that I am serving in.

Please remember Kelly and Fire Ministries in your prayers in regards to financial needs.
