## July 2017

Dear Family in Christ,

I pray that each day the Spirit is enfolding you in the love of God, making our hearts beat as one with His. It is amazing how fast time flies, but those eternal moments in His love are timeless and precious beyond measure. May we waste our time knowing His love and loving Him back! It is from such “wasted time” that we find the strength and heart to continue on with all the demands of this earth life! I am personally focusing on turning my heart back to His each day in small ways that mean so much to Him. May our prayers for one another flow out from seeking His needs first, knowing that as we seek Him in this way all these other things will be added (Matt. 6:33).

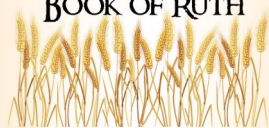

*Seeking His Heart with you,*

### CLEAVING TO THE CORE

HEART STEPS OF ENTERING IN  
FROM THE  
BOOK OF RUTH

### The Book of Ruth

For the next several months in our newsletter articles we are going to embark on a journey through the book of Ruth. Although I have already shared some of this material during our past Ireland conference, the newsletters will be an expanded version. The desire behind this search involves issues of the heart rather than teachings for the head. May the Holy Spirit bless our pursuit of Jesus as we seek Him in the Book of Ruth!

### Join us for a Vacation Bible Club on line!

This summer we are sharing a bible club based on the Book of Revelation with the kids at my local fellowship. It would be a joy to share this adventure in the book of Revelation with you and any kids you may know who are hungry for Jesus!

The materials will be on the Fire website where I will occasionally upload a short video lesson with the teaching, coloring pages, crafts and songs!

# Fire Needs

I want to continue to express my thankfulness to all of you who have been caring for me personally in regards to my health over this season. Many of you have been checking on me and asking for updates. At this time I will share that the greatest need is for additional finances to cover my medications, supplements and the final portion of my health insurance. I do want to emphasize my deep gratefulness for all the giving and care that has been and is covering me.

From my heart, thank you.

## Fire News Update

The Lord has graciously provided many opportunities for pouring out and serving during this season. Fire Ministries is in the process of organizing two outreaches into Ireland for this upcoming Fall. We are preparing for our "Pray and Get Away Retreat" as well as a Bible Club/ Evangelical Outreach into Dublin. I am also blessed with the opportunity to begin preparations for an upcoming teen outreach into Ireland set for next summer. In my local fellowship I am enjoying a season of fellowship with the kids in the Book of Revelation during a summer bible club. We are also continuing our Bible Class on the Spirit Realm verses Sense Realm (classes are on the website). I guess the list can go on, but really the main thing is that we want to keep that fire of letting Jesus live ignited and burning! It is never about the ministry but about Him, His Heart and others. Thank you for being a precious part of Him with us! **Your support, prayers and faith are needed!**
