# *What is a Family Reunion Conference?*

For many years now Fire Ministries has hosted an annual family reunion conference. I thought this year I would take the time to share more about this particular event. The heart behind this gathering can be more clearly comprehended through the words "Family Reunion" rather than the word "conference". A family reunion is a time when family comes together to celebrate and fellowship. It is a time of sharing heart to heart, a time of laughter, a time of enjoying seeing people that you love and are not able to see much at other times. In this way there is a freedom to gather as brothers and sisters in Christ who love Jesus and love one another. There is mercy and patience for the younger members in the family to grow and receive the love and care of the family. There is joy to receive the wisdom and guidance from the older members of the family who have so much to share. And then there is the women,... we all know that women love to talk and fellowship!!! This also happens at these gatherings, but this fellowship is in the spirit of family and not as deep and spiritual ministers who come to teach!

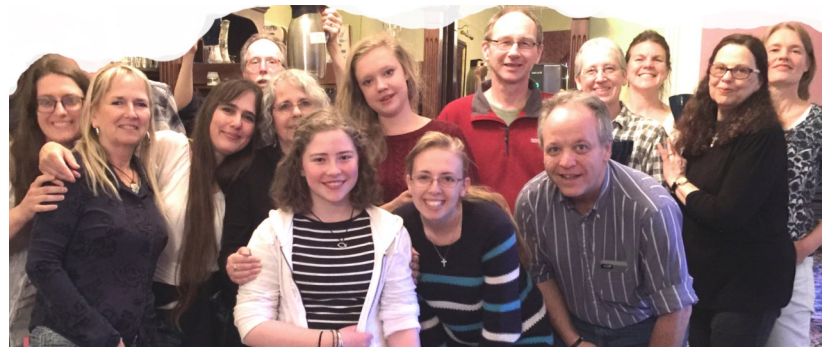

It is in this spirit that we gathering during these annual family reunions. Each year we are BLESSED with precious members of our family in Christ that come to be with us. These are people we dearly love in the Lord and rarely see due to living far apart from each other. This year was no exception as the Lord brought our beloved Pastor Stephen to fellowship with us as he began his sabbatical time. Pastor Stephen has held a special place in the heart of Fire Ministries from the very beginning, opening doors in Ireland for us to share Christ with children and fellowship in the Lord time and again. May the Lord bless him and his precious family. We got to spend precious time with dear Sister Nuala. How we love her and the Jesus she is so full of. We also saw beloved saints from Belgium and Holland that were truly a gift from God to our hearts. And then there were those precious Irish! God is continuing to knit hearts in His Son. Praise God!! Each day it seemed that the Lord brought the gift of brothers and sisters to come and enjoy the wonder of being the family of God together! On this trip, both during the reunion and other ministry afterwards, we continued to experience the Lord knitting hearts from all different denominations and nations. We are so thankful, Jesus, for You and Your body. We are so thankful, Father, for allowing us to be together and fellowship in Your Son. We are so thankful, Holy Spirit, for bringing us together again and filling our times with sweet fellowship in Christ.

I want to say a special thank you to Pastor Randy Nusbaum and His wife Debbie who have faithfully come to Ireland from the beginning and continuously pour out Jesus in love, in nature, and the ministry of the Word. To the Irish and many in Europe, Randy and Debbie have been as the heart of Jesus extended. Please pray for them as the Lord continues to use them. Please pray for their natural needs to be met even as they have so abundantly sown into the spiritual needs of many. May we honor those who have truly brought the Lord to our lives.

Finally I would ask for you all to remember in prayers our dear brothers and sisters in Europe. No matter where we live, in Christ we are family.... a family that loves one another.
