

# From Fire Ministries!

Dear and Beloved Friends,

**THANK YOU** for a 2013 FULL of your love, support and fellowship as we journeyed together to know Jesus and share Him with the world! In particular, this past year I felt the love and care of those who support Fire Ministries in a special way. I cannot begin to express how beautiful Jesus is IN YOU. I am deeply touched and daily grateful for His care through you. **THANK YOU!!!**

The “Hungering Conference” that was held the end of November was awesome! The Lord ministered continually throughout the time we all were together. Many hearts were touched by the living Christ as chains were broken to liberate us unto HIS LIFE! A whole bunch of hungry hearts from Ireland came and they really brought Jesus to us all! The conference would not have been the same without them. Though they all came as guests of the conference, they helped us serve and poured out Jesus right alongside us! It was a joy to my heart that they came and got to stay with me for several days. It was heavenly!!!

After such a great time of feasting upon the Lord, there are always many things to share with those who were unable to attend. Of course, all the conference sessions will be uploaded to [www.christaslife.com](http://www.christaslife.com), as well as our new Christ as Life Worship cd (Volume Ten). All the speakers really poured out Jesus, and you will be fed if you take the time to listen. I was blessed with the opportunity to share during the conference, and gave my personal testimony in the form of a power point presentation. I have edited that presentation into a dvd movie that is available for the asking! It can also be viewed at this address in my drop-box account:

It is the last month of our “break-through” year, and the Spirit of God is moving in all of us! Our prayers will continue to uphold you and the desire of your hearts for more of Jesus. May EVERY chain be broken that holds you back from more of Jesus! May your heart be filled and free with His wonderful increase!

You are in my heart and prayers, *Kelly*

*"From prayer that asks that I may be  
Sheltered from winds that beat on Thee,  
From fearing when I should aspire,  
From faltering when I should climber higher.  
From silken self, O Captain, free  
Thy soldier who would follow Thee.*

*From subtle love of softening things  
From easy choices, weakenings  
Not thus are spirits fortified  
Not this way went Thy Crucified  
From all that dims Thy Calvary  
O Lamb of God, deliver me!*

*Give me the love that leads the way,  
The faith that nothing can dismay,  
The hope no disappointment tires,  
The passion that will burn like fire.  
Let me not sink to be a clod.*
