

It's The Way

It's the way you lived your life with Him
on the inside.

It's the way in the hidden chambers of your heart
you didn't hide flesh and pride.

It's the way you didn't run over the top of Him...
or His
when you could have
and no one ever would have known.

It's the way you loved Him
with all your heart and soul.

If you would like to support God's work through Fire Ministries,
and give towards the upcoming mission trips to Ireland,

Fire Ministries International

February 2015

Keep Your Heart With Jesus Through It All.

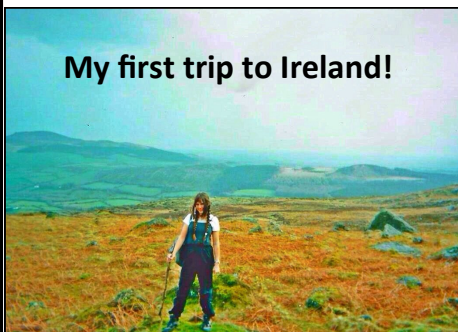

A Note From Kelly...

Dear and Beloved Family in Christ,

Happy February! I pray your January was full of Jesus in new and living ways. Before I share ministry updates I want to thank God for a new movement of His Spirit in my heart wherein He is beginning to reveal Christ in a way that I have longed for over many years. I really believe that the same Holy Spirit Who is breaking the bread of Life in my heart is doing the same in yours. Hallelujah for opportunities to **KNOW JESUS** in ways that will continue throughout all eternity. It is never a waste to invest time into your relationship with Jesus. **WASTE** it all on Him! No matter what happens in this life on earth, we will be **FILLED** with the eternal Christ because we sought first the Kingdom of God and His righteousness. Blessed are those who hunger and thirst for they **SHALL** be filled! It ministers to the heart of Jesus when we want Him, and draw nigh to Him with our hearts. He will be found by those who seek Him. May we all continue to press in to know Jesus more and more.

Concerning Fire Ministries' news, there is a whole lot going on. I am organizing three missions in Ireland this year, and we are now in the "high season" of fundraising in order to gather the resources to be able to finance those trips. This includes going door to door every week for Rockathon pledges, organizing a booth for the DFW Irish Festival this March, preparing for an auction and fundraising party, as well as working on a personal fundraiser project involving getting donations from pictures I have taken during my travels in Ireland. I am also teaching two classes at the Bible School in Texas, working on website production, helping with several projects involving new publications in both literature, music and a possible new venue of sharing Christ. In the midst of all that I am also seeking employment to help pay the bills. Please pray for the Lord's guidance and provision in this area. In these opportunities and challenges, may Christ be glorified in it all.

My first trip to Ireland!

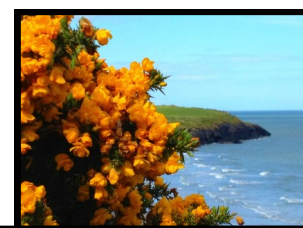

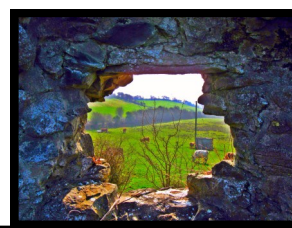

Your prayers are greatly appreciated at this time. I truly feel we are on the threshold of a new season in knowing and showing Jesus. It is so important that we remain sensitive and in tune with the heart of Jesus for all that lies ahead.

In the Crucified, Kelly

FUNDRAISING!

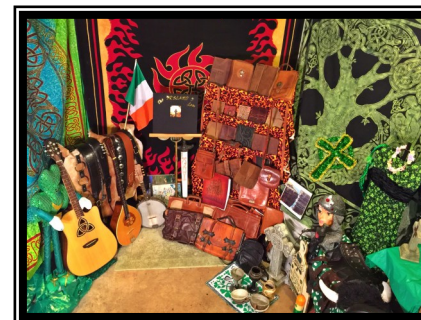

Would you be interested in supporting my upcoming mission trips to Ireland and also receiving a beautiful 8 X 10 framed photo of Ireland (taken during my past travels) or a 2015 calendar full of pictures entitled, "The Ireland I love"? Every donation between 20 and 50 dollars will receive a framed 8X10 glossy photo from Ireland (you choose the picture), and every donation over 50 dollars receives a 2015 calendar (which includes 14 pages of photos I have taken over the past 15 years of traveling Ireland). Please visit the website at www.fireministriesinternational.com and go to the fundraising page. On that page you will find samples of all the pictures available and the 2015 calendar that I am offering. Simply make your donation to the ministry through PayPal (on the donate page) and then email me your photo or calendar request. I will then post your picture/calendar to you as token of my appreciation for your support!

North Texas Irish Festival

Through much prayer and a series of miracles we have been accepted to have a booth in this year's "North Texas Irish Festival"! This is one of the largest Celtic festivals in the nation. Thousands of people will pass through during the three days that the festival is running. This is going to be a wonderful opportunity for the team to do some fundraising! Our booth will be a true Irish experience!

The beginnings of our booth!...

Please pray:

- * For the Holy Spirit to reveal Christ in us
- * Greater sensitivity to the nature of Jesus in our relationships
- * the upcoming trips and all who will attend
- * those struggling with fear and rejection
