Together Serving Others...

Together Sharing Christ...

Together as His Family.

I believe Christ was most glorified in this Family Reunion Conference through the selfless giving of so many... those who served others well beyond their own strength, those who prayed, those who gave financially, and those who have sowed Christ in ways that only the Father knows. My prayer over this gathering was that together we would be as a sweet savor of Christ to the Father. I am reminded that the only way such a fragrance can come forth is through the altar. There is no greater event or higher form of ministry then simply allowing Jesus to pour out His Life through us. Thank you for doing that, each of you. We send this praise report to you knowing that you were there with us in one heart as one body in Christ. Thank you for adding another coal to the altar so that more of Christ could be released.

From my heart, Kelly

***“Edifying One
Another in Love”***

I expected a lot and I received more than I expected. Love, teachings, warmth, revelation and more than I can tell.

We had a precious time of being with the Lord and with His body. Thank you for your prayers we felt the covering. I could see each person sharing Jesus with each other in a beautiful way, it was life... His Life! I desire that it be more of Him and less of me.

Thank you for allowing the river of Life to flow through you into our lives and hearts, and for bringing—"New Life" to this land of Ireland for refreshing His people.

"Jesus in me!!!"

Wow, I am blessed to be a part of God's family. Thank you for your faithfulness and integrity in sharing Jesus' heart. May His harvest abound and bring forth what He desires. More of Jesus, less of me.

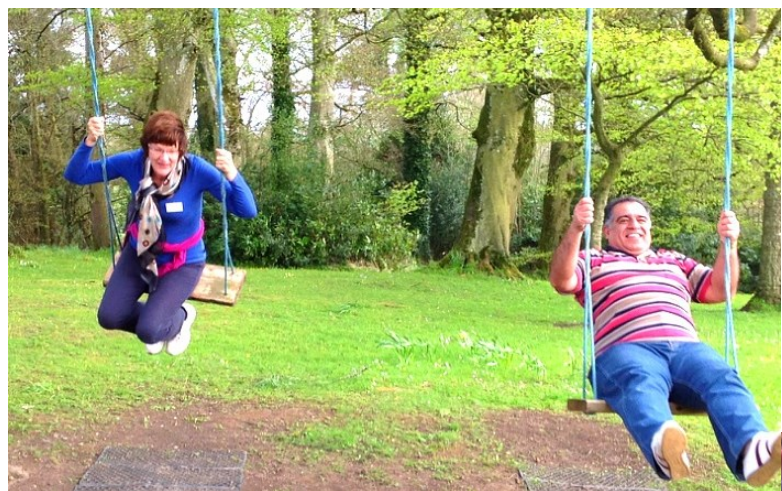

So glad the Lord brought me to Ireland, in the past and especially this year as I have been truly blessed by the Body of Christ coming together and sharing His Life with one another. I have seen so much of Jesus in and through His Body.

The Family Reunion was wonderful. It was a time to be with the body of Christ, to be a part of something bigger than our weekly lessons, seeing Christ in the lives of all the people there pouring out. But most of all it was the hunger in the lives of all there, the desire for more of Christ, to hear stories of how lives are being transformed by the Lord. My heart was blessed beyond words. - Rebekah

Family Fun in Jesus!

Yes, it was another family reunion—but only for one reason; for God to get one after His own kind. He wanted to impart to us to seek His face and to know Him in His nature. We realized that we have enough Jesus now to offer up the Eternal Son to Our Father. To do this as a family, not from duty; but out of Love and not more commitment. To let the Son breathe in us. It wasn't about the conference, it was God's Eternal Plan filling our hearts.

God brought us on and engaged our hearts into His View and made us want His Son to live in us more. We responded as a family and continue to respond to Our Father even now. It wasn't about the event or the great word that was shared but how He apprehended us for us to apprehend Him and to continue to fellowship in Him as the Lamb.

Our sisters and brothers who were praying for the Family Reunion Conference were poured out hearts that ministered to the Lord and flowed with the Holy Spirit into our hearts that said Yes and Amen to our Father.

We are baptized by one Spirit into one family. May God have His family Spirit formed in us in this generation. .
