Trust In God.

John 14:1

Dear and Beloved Friends,

I thank God for the oneness we share in Christ. The very real sense of family, love and support that I experience from all of you means more to me than words can say. This past month has been a time of deep pouring out for me and my local fellowship here in Texas as we hosted an international conference. The conference was full of Jesus, a feast celebrating the increase of Christ in all of us. The first night of our gathering we received the news that Greg Valle had departed to be with the Lord. He was on his way to pick up one of the guests from the airport and pulled over to the side of the road because he felt bad. Soon thereafter he passed. Greg is one of my best friends and I cannot describe how much we all will miss him, but I know He is with the Lord and this comforts us all. He was such a special vessel of the love of Jesus, reaching out to those many would never even approach. Greg leaves behind him a legacy of hearts touched by the real Jesus through his life.

Because I have been so deeply involved in helping with the conference, this month's article is from a booklet God gave years ago. It shares the spirit in which those here labored in the Lord. During the conference I ministered from the Word in session 4 (from the Song of Solomon) and led worship in an evening gathering, but my greatest involvement was working side by side with the precious saints here in practical areas of preparation and serving. All of the conference sessions of sharing the Word are available online to download and listen to, as well as our new Worship Cd (which is our best to date in my opinion). These materials are all free downloads found at www.christaslife.com. These online materials are there as a blessing to the hungry hearts who long for more of Jesus.

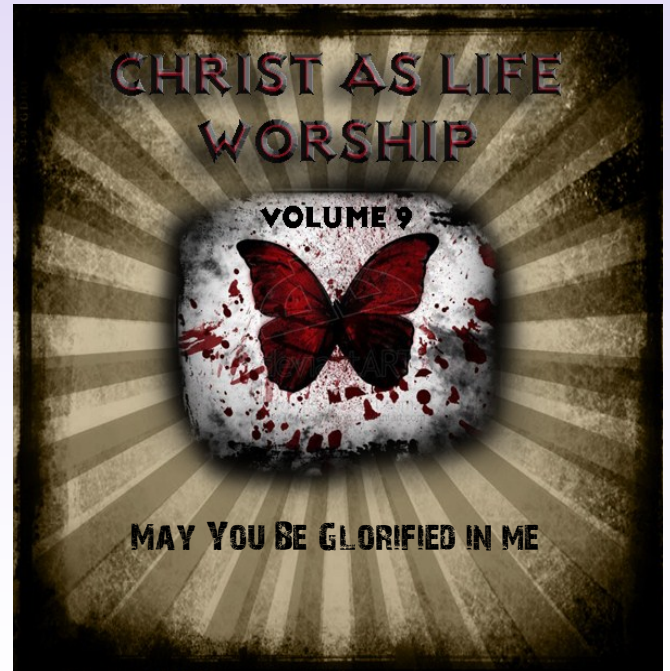

For me, this past year has been filled with God breaking my heart for the increase of His Son, as well as new and precious opportunities to serve the Body of Christ in Ireland and here in the states. My schedule has felt like a non-stop marathon of pouring out Jesus while crying out for His increase in me. Thank you for being my family throughout this year. Thank you for bearing the heart of Jesus to me in ways you may not even be aware of. I love you, I need you, and I truly thank God for each one of you. My prayer is that I can be a blessing back to you in the way that you have been to me and to those who are a part of this ministry. May your Christmas be rich in His Love, Presence, and blessing to your families and loved ones.

You are in my heart and prayers, *Kelly*

NEW Christ as Life Worship Cd:

MAY YOU BE GLORIFIED IN CME

In the midst of a very busy season for those involved in the making of this Cd, we have experienced the Lord blessing this work as His Life strengthened us in the labor involved in its production. In other words, "Christ As Life" is more than a theme for the Cd, it is the very means by which it has come forth! Our desire is that the Lord Himself minister to you as you listen to each song. Each song writer, singer, musician, producer, and helper in assembling this Cd has diligently sought for Christ to be the heart motive behind it all. We pray that as a result of this, the Lord will be glorified in those Who hunger to know Him more.

My Mother rejoicing with
Andreas at the
Hungering Conference!

We love you Greg.

You left behind a lasting
imprint of Christ on every
heart who truly knew you.

Ornamented on a tree,

Christ hung in pain for you and me.

Outside the camp, far from the warmth

of family, fun... home and hearth.

Held by love, despising the shame,

He poured out His lifeblood that we might gain.

He was the gift,

eternal Life...

though appearing only as a
criminal in the night.

Let us now go to Him,

outside the camp

and join the eternal legacy.

As those who are

not ashamed to be

the body of this Lamb
slain in love for you and me.

May we ornament each gathering

with the Spirit of Christ in humility.

And bear in love the faults of all,

and cover in grace the weak about to fall.

May Christ be seen these Christmas days,

as the Life of His Church in small yet precious ways.
