

Fire Ministries International

March 2017

Our Beloved Sister in Christ, Margaret, has departed to be with the Lord she loved so deeply. Jesus lived through Margaret in ways that ministered Him to all those around her. Margaret was also a ministry to the Heart of Jesus because of her deep love for Him. She ministered to us year after year, a sweet fragrance of the living Christ. Please pray for her friends and family that will miss her and her beautiful heart full of love for Jesus.

COMING SOON! IRELAND CONFERENCE 2017 - The Season of Entering In

Two years ago, in the Spring of 2015 at our Ireland Family Reunion conference, God began to move and release His heart in relation to Jesus, the Lamb of God, having a wife after His kind. This theme was initiated by the Spirit of God and introduced to us in the book of Revelation. In the year to follow, 2016, we gave ourselves to soak in the oils of this as the Holy Spirit ministered the Word of His Heart to us that it might take root deep inside.

For the past 12 years Fire Ministries has hosted women's conferences that have focused on the women who are in the genealogy of Jesus Christ. The theme of our women's conferences these past two years was the corporate woman defined as the wife of the Lamb in the Book of Revelation. Through these sharings over the years we have seen a golden thread woven throughout the Word of God testifying of hearts that chose oneness in the face of tremendous odds, their own failures, condemnation, weakness, ill repute, etc ... and despite it all they entered in through the gate of the Crucified Lamb as one bride and married Him, abiding so deeply that His Life was birthed through them as a testimony of the Son through all ages. This genealogy of Jesus Christ continues in our generation and it is our time to enter in to the fullness of His heart regarding His church, His wife.

The theme of our Ireland Family Reunion conference this Spring is "A Heart To Enter In". We feel this is a continuation and response to the flow from the Lord's Heart and desire over the past years. We invite you to join with us as together we release our faith in regards to this season of responding to all the Lord has been sharing with our hearts concerning His desire. The "motto" of Fire Ministries has always been "On Fire With God's Desire". May our hearts burn within us to respond to the intimate things the Lord has shared with us from His Heart and needs. Please pray that the Lord would gather and make a way for all those who are meant to join us in Ireland for this gathering. Thank you so much and God bless you!

Fire Ministries International is in the process of becoming incorporated. This legal process will affect the functioning of the ministry regarding the things in the Lord's Heart for us and through us both in the States and Europe. Prayers for the Lord's guidance and wisdom through this process is much needed at this time.

Daniel Class - A Personal Journey of Enthroning the Lamb Within

The Holy Spirit has been blessing us with an intimate view into the book of Daniel that shares Daniel's personal journey through the 70 year time period of the captivity, and how God dealt deeply with Daniel, using all things to reveal and enthrone the Lamb of God within him. Of course, it is not Daniel's journey we are seeking to embrace, but our own personal journey of enthroning the Lamb within that means everything to God now in this (our) generation. There are people all over the world in whom the Kingdom is coming, even in the midst of extreme trial and tribulation. There are hearts in whom the Lamb is being loved and embraced far beyond doctrine and ministry as they yield themselves to His very nature and crucified love. Let us remember them in our prayers. Let us remember the hidden work of the Spirit that is ever going on in deep within the chambers of our hearts where Christ longs to dwell. May we continue to be sensitized to that inward work of the Spirit forming Christ within, both in our ourselves and in others. For those who are interested, the Daniel class (along with a chart and notes) can be watched and listened to at fireministriesinternational.com.
