

# **Fire Ministries International**

**May 2017**

Dear Ones,

I leave for Ireland in a few days and am still in the midst of many preparations! Because I will not be returning from Ireland until mid-May, I thought it might be wise to send a quick newsletter before I go.

I want to thank you all for your prayers and support, as I have felt your covering in Christ in many ways these past days. I know that in all that we do, the truth is... we are Jesus' body together. He is living. He is serving His Father. He is pouring out to others... in and through us. It for this reason that I thank you, because I know in all these things of the Kingdom we are together as one body bearing the Life of Jesus to others.

It is in that spirit and heart I would ask for your continued prayers during our Ireland conference. People will be flying into Ireland on Tuesday and Wednesday, April 25<sup>th</sup> and 26<sup>th</sup>. Prayers for the travelers are appreciated, especially as we have several people with physical conditions that make traveling difficult. The conference will be from April 28<sup>th</sup> through May 4<sup>th</sup>. In regards to the conference, I have been experiencing quite a burden and flow from the Lord's heart pertaining to His desire during our gathering. May His heart be fulfilled and His Spirit have freedom to move accordingly. Before and after those dates I will be traveling with a small team to do some more ministry, visit dear friends, as well as working in the home office in Ireland to do some organizing. The Lord continues to form and knit His Son in our core ministry team. Prayers are appreciated in regards to the Lord's work in this group, as the only way this can truly form is by the Lord Himself within and between each of us.

The Lord has recently given us a new book on Ruth as well as several studies from the book of Joshua. I will be sharing those with you all in the months to come and look forward to that fellowship! For this month I will send something from our current studies in the book of Daniel that has been shared online in audio and video form on the Fire Ministries website. Much of that study was in regards to Daniel's personal journey with the Lord, and the process found in his own life signifying Christ being formed and enthroned in a believer. Within that view of this book we took a close look at the different ages and stages of Daniels life. We dug into the scriptures and did our best to lay out a chart that would give a sense of the Lord's dealings and progression of revealing Himself to Daniel (as a picture of a believer coming to know Christ as their life and government). Because the book of Daniel is not fully in chronological order, not all the chapters will be in order when looked upon based on Daniel's life-line. The main thing I want to communicate in regards to the chart is that many people found real encouragement from it! For example, how encouraging to know that Daniel was in his early 80's at the time he was thrown into the lion's den! God used all those years to prepare Daniel as a vessel of His life to be ready for that time. We can see the Fathering care of God as He uses each season, each necessary season, to ultimate bring forth His Son from us. The chart is on the back of this page in replacement for this month's article.

I pray the Lord bless you, each one, with the intimate communion of the Spirit revealing the very heart and nature of the Lamb within you. May His attitudes, love, forgiveness, and patience rise from deep within you in new ways. May we cry out with joy and gratefulness, "That was Christ and not I...". This is the daily celebration of the resurrection that all of us need to participate in, allowing Jesus to rise from the dead within us. To shine like the noon-day Son out from us in our attitudes and ways towards others.

*Love from within Him, Kelly*
