Dear Family in Christ,

May 2018

How is it that during the busiest, weakest, and craziest times of our lives the Lord does so much? Just when we are pressed beyond our measure the Spirit guides our heart into HIS measure! Oh beautiful Jesus, so much greater than I! Greater than my mind, my schedule, my body, my abilities, my goodness, my best. Oh precious Lamb of God, for Your pleasure are all things created! Be glorified in us in all seasons of our lives! Well, it has been just that kind of season for me and Fire Ministries. All of us who serve the Lord in Fire Ministries are experiencing a season of much pouring out and activity that will continue intensely until the end of July. You are a part of the Lord's Heart as we carry Him forth together. Your faith, love, prayers and support mean so much. In all that we are **DOING** for Him, may our hearts rise above the activities into the **ONE WE LOVE** and bring forth fruit unto God through Jesus Christ rather than just a bunch of ministry activities.

I depart in a couple days to fly to Ireland for our family reunion conference. The preparations for this gathering have become an unexpected flood of Spirit- given material. I sense the Lord's Heart is **FULL** and I want to share with each of you what He is pouring forth. One of the precious things that the Lord has given is a book that includes almost a hundred pages of illustrations involving people during the Captivity (Esther, Ezra, Nehemiah and others). Please pray for our traveling safety, and all other areas as the Lord leads pertaining to this Ireland gathering. Thank you!

In the midst of all the Ireland conference preparations we are also getting ready for our first State side Bible Club. This is a big and exciting step for us! Before we go to Ireland in July and share the Bible Club with kids in Ireland, we are going to share it with kids in Texas! We are limited on time to organize this due to all the trips to Ireland, but we are filled with the Spirit of the Living God! Please pray for the team as they daily prepare for this event!

In regards to my health and recovery, I am daily in therapy and treatments for the Lymes infection and mold toxins. My strength is very limited still and your prayers, finances and faith are still needed and deeply appreciated... especially in this very busy season of pouring out.

## *A letter from Eliezer*

*"For I have led her throughout the ages,  
through worse temptations than you have ever experienced.  
And she cleaved to me in the face of hell and lies and pain  
and pressure and every force under the Son.*

*But I know the feel of her – how she holds on and presses past  
and gets up and rejects the Serpent and his knowledge,  
the world and its wisdom and with unformed parts draws to the  
Lamb she has not yet fully seen or entered into and follows on.*

*I know her feel... I know it from generations and ages.  
I know when I have a true Rebekah –  
shaking off foreign cultures even when it is the culture she was born and raised in.  
Shaking off all that resists His molding touch and drawing power.*

*I know her feel... the tenor of her heart and the openness of her inward parts.  
I know when one resists me and my journey.  
When they have yielded to the pulls of the earth  
and the temptations of the carnal mind and the infirmity of the flesh.*

*I know when we have left Haran – our journey – my true ministry.  
When she lets me move in His direction and no longer  
draws me back to her old kind and home.*

*Few ever leave and even less stay the course.  
I know the feel when they stop and return to Haran.*

*I know the feel when they fall off their camel  
but are steadfastly minded to get back up and ride on".*
