

# FIRE MINISTRIES INTERNATIONAL

NOVEMBER 2018

Dear Ones in the Son,

I send my love in Christ to each of you. I pray you are continually being overshadowed by the Spirit and filled with the Son in all that you are going through. Each moment can become eternal and precious when we allow Jesus to truly be our Life.

Although my schedule is very full this month with precious opportunities to serve and pour out, my focus is that my spirit would be His attitudes and fragrance in everything. Please pray for me that there would be more of Jesus and less of me.

As always, I want to thank each one of you for your care and kindness. I want to express my personal gratefulness to be part of a people who love Jesus so much.

*Love in Jesus, Kelly*

With grateful hearts to the Lord, we would like to make available our new worship Cd entitled, "Live and On Fire". This music Cd is all live worship. Within these recordings there is a pouring out of the Spirit and the hearts of His people crying, "Come, Lord, come!" Lord, make it more than words, make it more than songs...bring forth Christ in us. In Jesus' name, and for His heart's sake, amen!

If you would like to order a copy before Christmas, please let us know as we are now preparing to print and produce copies of the Cd. The cost is 10 dollars or 10 Euros per Cd plus shipping costs. Please email us with your order information at:
