

*Dear friends in Christ,*

Oh how wonderful to be together knowing and growing in Jesus! His beauty is overwhelming, and the way He shares His heart with us is beyond all words. The Lord continues to bless Fire Ministries with many avenues to pour out and serve. From organizing conferences, classes and outreaches, to producing videos and websites, there is never a dull moment! It is amazing how those “rivers of living water” just flow and flow because of who Jesus really is in us! I used to say that “I am in a season of pouring out,” yet now I realize that it is not a season, but it is Jesus who will always pour out through every season. For this reason my schedule is packed full and your prayers and support mean so much in helping me and all that is involved in the constant functioning of Fire Ministries to be able to continue to serve in all the areas He has raised up. Fire Ministries is us together, Jesus in His body. I personally serve and support other ministries too, and I deeply honor and support that the Lord may have you sowing and serving other ministers and ministries that also need care and help.

I also want to rejoice together over a renewed flow of His Life first in my heart, but also in my body! I am experiencing His flow in my body in new ways that is bringing healing. Your love and care in this area is God-sent and a fragrant offering of Christ. I am still receiving care, and there is some definite progress happening, and to God be the glory! On another note, I am excited to announce our latest Adventure Lesson from our video series for kids from the book of Revelation: Lesson Ten entitled “REJOICE”. You can find this new lesson on our website homepage! We have a lot of folks involved in these videos and it has become a team ministry! The Lord reaches forth through books, music, teaching, outreach, and yes even PUPPETS to stir up our hearts to go for Him and know Him in ways beyond what we have known! Dressing up like the Apostle John on the Island of Patmos is a humbling experience, but I rejoice at the opportunity to share the reality that Jesus is our Life with kids!

I recently had just such an opportunity when I visited my brother and his family in Arizona. We grabbed our puppets, put on our costumes and shared Jesus with the precious kids there in Arizona. It is wonderful to serve the Lord with my brother Ben, his wife Cassie, and their children Grace, Levi, and Zeke. This whole family loves Jesus sooo much. Please pray for all that Jesus is doing in and through them!

From my heart I thank God for each of you, *Kelly*
