Arise and Shine!

Arise and shine for your light is come.
Arise and shine, Oh your life is come.
He is in you... He is in you... Oh little one.
Lift up those knees.
Lift up those eyes.
Open your heart.
He's inside! He's inside!
Let Him shine... let Him shine!

Awake from the dark, for you are not alone,
deep within you He has made His home.
You're not you anymore. You are dead and He's your life.
He's the Head. We're His wife.
Oh, arise and shine! For our life has come.
He is Jesus God's firstborn Son.

Little one, it doesn't matter.
He is in you that's all that matters.
You have the Son. You have the Son!

And it's a new day! It's a new day!

Let it dawn in your heart
that you have the Son of God deep inside.
Oh He's real and He's alive.
Let Him rise! Let Him rise!
Arise and shine... for your light has come.
Arise and shine for your life is come to live in you.
Oh let Him rise.
Open up your eyes.

Your heart is beautiful
Your heart is beautiful
Your heart is fragile
Your heart is fragile

It's a beating heart
It's a wounded heart
It's a fragile heart

Put into our hands
Put into our hands

How do we touch You, Your beating fragile heart?
How do we touch You, Your beating fragile heart?
Do we feel your pain?
Do we feel your love?
Your beating heart, Your poured out love...

Do we love you Lord in a real way?
In a real way, do we love You ... We want You...
Your beating heart

Sweet Jesus
