

## Pressing Into Jesus

Dear Friends,

We send our warmest greetings in Jesus! It has been a while since we have been able to send a message. Even so, our hearts are with you and our prayers have been too. We thank God for the highest of all relationships possible... being raised together as one in Christ. Neither time or circumstance can hinder the reality of this union that we share together in Christ. Please know that when you send us prayer requests we take them before the Lord for you. May God continue to fulfill all your needs from the inside out by the coming forth of Christ.

This little “encouragement” is for those who feel they need more of the Life of Jesus to flow through them in areas where there is deep lack and infirmity.

“Stretch forth the arms of your faith, woman with an issue of blood. Press past the crowd of mockers that torment you concerning your state and seek to hold you back based on your condition. Look past them into Jesus and see His desire to bring you into oneness. Be ushered into union and keep pressing in until your branch is fully grafted into His Vine. One thing is needed and that is to be once again found in Him. Your identity is not in these thoughts, fears and failures... but in Him who cleaves to you even as you now cleave to Him.

Draw virtue out from the True Vine into you. Be cleansed, filled and healed. Be overcome with a Life that is not your own, not of your own righteousness but only yours through union by grace.

Even if the mockers and obstacles are only in your own mind, the Lord is here with His heart opened wide and His nail pierced hands stretched out to you. He is saying, “Come unto me all who are weary from trying to live apart from My Life. I will give you my rest for I will give you My Life.”

Yours in His tender love,
