And strength in the time of trouble  
         Dm                            A  
The Lord of host is with us  
         Gm                            Dm  
The God of Jacob is our refuge

Therefore will not we fear

Though the earth move

And the mountains be carried away

Though the water roar and be troubled

And the mountains shake

With the swelling thereof

There is a river

The streams where of make glad

God Himself is in her
