

Purified in Love

Hello dear friends!

We were made to need the strength of Christ in one another. It is not a point of shame but of living as one Body. May God's love abound and multiply within His corporate Bride. How pleasing this is to the heart of Jesus.

Precious things are purified and strengthened in the fiery trials. The Bride is so precious to the heart of Jesus. She is meant for Him in eternal ways. She is being brought through the purifying process by His loving care. *"As a painter draws on a canvas whatever picture pleases him, so God is now transforming you into His image through an inward crucifixion. He cherishes you"...* (Madame Guyon). We can yield ourselves into the purposes of His heart in the midst of these fiery trials that purify our faith. A faith that becomes precious as it cleaves to the Vine in the midst of affliction, contradiction and loss. A precious and tender branch that held to Him through the storm. May our eyes see the King in His beauty and find the stronghold of His heart at all times. We shall find Jerusalem a quiet habitation, a tabernacle that shall not be taken down, ... the city of our solemnities (Is. 33).

May our eyes be lifted up, and our hearts be drawn up and away from ourselves in these momentary afflictions to see the beauty of embracing Christ at all times and forever!

We love you in His love!

The Women of Fire.
