

The Burnt Offering Song

A D
Lay all yourself on the altar

A D
Such costly offering

A D
For He calls to the congregation

A D
And you are answering

Bm G
But the savor is so sweet to the Lord

D C G A
Let His Cross consume me oh consume me

Bm G
Not I but Christ ascends to (covers) the Throne

D C G A
A constant burning a constant burning Christ pour through me!

I offer your Son through the altar, a constant burning

Bm - G - D - A (La)
