

## *Ephesus*

*This is from Him who holds the seven stars in His hand and walks among the seven candlesticks.*

*I know about your hard work for me.*

*I know that you have gone through many hard time and have not grown weary.*

*But you no longer love me first.*

*Come away from those things that take your heart away from me.*

*Come to me as your first love and you will eat from the Tree of Life in the Paradise of God.*

## *Smyrna*

*This are the words from the one is was  
First and the one who will be Last.*

*The one who died and rose again.*

*I know how much you go through for  
me, and how poor you are. I know  
that you suffer and are persecuted  
because of me. Do not be afraid in the  
midst of your suffering! Remember that  
you are suffering with me and be  
faithful to my love in you, even when it  
costs you everything. Life comes out  
of such love and suffering, the kind of  
Life that God puts the crown upon.*

## *Pergamos*

*This letter comes from the one who holds the Word of God like a sharp two edged sword.*

*I know you live with people who hate God and still you love me right in the middle of them. Yet sometimes you allow things that go against my heart and go against my Word. Deal with those things and do not let them remain!*

*If you really hear what I am saying you will find the hidden Word of God that you will be able to eat and it will fill you with my Life in wonderful ways.*

## *Thyatira*

*This letter is from the Song of God who has eyes like a blazing fire and feet like brass.*

*I know how much you do for me, and that you are doing more now than you were doing in the beginning.*

*There is something that you allow that does not please me, it is someone who teaches people how to leave me and live in ways that serve my enemy. Do not listen to that but hold onto me with all your heart.*

*To those who take my letter to heart, I will rise up inside of them like the morning sun.*

## *Sardis*

*This letter is from him who has the fullness of the Spirit and holds the seven stars.*

*I know that you do a lot things in my name, but there is nothing in your heart for me.*

*It is time to find that love that is still in your heart and let it grow stronger.*

*If you hear my heart in this and keep you heart all wrapped up in me then I will cloth you in the clothing of a priest, one who cares for me always. I will declare you to my Father and His angels.*

## *Philadelphia*

*These are the words of him who holds the key that opens the doors of God's heart. I have placed that open door before you because I see how you love me and keep my word even when you feel very weak and tempted.*

*Keep holding on to me with all your heart, and do not let anyone take away our love that is like a precious crown.*

*As you hold on to me, I will make you like a pillar in my temple, a part of my city where I dwell both now and forever.*

## *Laodicea*

*These are the words of Mr. "AMEN"! I am the faithful and true witness.*

*I know that you are neither burning with love for me, or icy cold with no love at all.*

*You are just stuck in the middle where you don't really care at all! I wish you were either hot or cold, because living in the middle makes you forget me altogether. You think you are ok, but living like that is not ok and you really don't know it.*

*Come back to me with all your heart. I am ready and waiting to feast with you and rejoice in our wonderful relationship.*

*If you really hear what I am saying we can be together forever in my Father's eternal kingdom.*
