

**The tree of the knowledge of good and evil appeals to the five senses. It enters into our being through the gate of the senses.**

**The tree of Lamb Life enters into and feeds our spirit wherein the Spirit of Jesus dwells. It enters through the Spirit to our spirit.**  
**Proverbs 20:27**

**Jesus said,  
“My words are Spirit /*Pneuma* and Life/*Zoe*”**

**Jesus' words are NOT  
Flesh/ *Carna* and Soul/*Psyche***

## **The Breakdown**

- 1) The information and situation is presented to us.
- 2) It touches our senses. It affects our soul.

### **Carna and Psyche**

**WE FEEL IT trying to enter into the gates of the senses:**

- ♦ **Our mind and mental reasonings**
- ♦ **Our Eyes and how we see things based on sense realm**
- ♦ **Our ears and how we hear things based on sense realm**
- ♦ **Our feelings and how it “touches us”**
- ♦ **Our smell and how it affects us on that level**

### **Pneuma and Zoe**

- **The word of God becomes the authority rather than the sense realm**
- **We receive the Word of God by the Spirit rather than our senses. We take the Word into our heart/spirit rather than our senses.**

## **Practical Lab #3 - “I BELIEVE THAT!!”**

**Pair off in teams of two.**

**The goal of team member #1 will be to make your partner believe something based on the senses.**

***Your goal is to trap them into HAVING to agree with you based on sense realm info!***

**The goal of team member #2 will be to receive the information based on the Word of God and the Spirit/your spirit. To stand on the Word and not the sense realm input being fed you.**
